Artists & Crafters Show Skill at Mattapoisett Library

Fortunate weather smiled upon the Mattapoisett Arts and Crafts Show on the Library lawn on Saturday as local people showed mastery of their skills. The event was very well attended all through the day. Spectators were treated to demonstrations of painting in various mediums of great variety. Craftsmen also showed the arts that have been handed down the ages after coming into vogue, then languishing into neglect, only to be revived once more to be enjoyed today.

Board Considers Land Offer

MATTAPOISETT SELECTMEN'S MEETING
AUGUST 16, 1988-by VIRGINIA MORGAN

Selectmen last Tuesday received an offer to purchase a strip of land abutting the site of the new police station on Route 6 from Mr. Barry Perkins, 50 Prospect Road, owner of the land.

Mr. Perkins has indicated to the Board that he would be willing to offer this parcel for sale to the town; and, if the Board is interested, Mr. Calvin Perkins, 19 North Street should be contacted.

Selectmen John N. DeCosta and Bernard F. Talty agreed the offer should be given careful consideration and a layout of the lot should be obtained and studied. Selectman William F. Hubbard was on vacation and not present at the meeting.

With 150 foot frontage on Route 6, the parcel of land has sufficient frontage as

cruiser is not approved by the Finance Committee. This money must be appropriated from Free Cash, when available, because the bill was incurred in fiscal 1988.

The Board members noted the $5,000 is the town's portion to be paid on the new cruiser, with the balance being paid by the insurance company. Selectman DeCosta noted old bills are usually paid from Free Cash at a special or annual town meeting.

ANNOUNCED A MEETING will be held at 8:15 p.m. August 30th with members of the Water Commissioners to act jointly to appoint a commissioner to fill the vacancy caused by the resignation of Ralph E. Wordell, Water Commissioner. Water Commissioner Clifford Tripp, Jr. will be notified of the meeting date.

HEARD A REPORT from Executive Secretary Carol Adams of several injuries occurring on the Town Wharf in the past month. She noted one incident has been turned over to the insurance company.

A letter from Police Lt. James A. Santos advised the Selectmen of a Saturday, August 6th, complaint from a lady who stated she twisted her ankle while walking on the town wharf.

Selectman DeCosta noted Highway Surveyor Wesley Bowman has filled in some of the holes but there is nothing to hold the patch; within five days the holes are open again.

Mr. DeCosta also noted, "You can spend a million dollars patching, but it must be done right to hold properly. I was told by a knowledgable person about a year ago that the top has to come off - the holes underneath have to be filled - then crushed stone is placed on before the paving is put on. There are no funds now, but we hope to get estimates for next year's town meeting."

Selectman Talty said about 30 feet of the Makuch Wharf needs repairing badly. "We definitely have to do something about this condition."

AGREED TO SET up a joint meeting with members of the Reservation Golf Club Association to discuss the increasing problem of sailboarders on the club's beach. Selectman Talty noted Reservation Road was jammed with cars last weekend and is creating a problem. He added, "We are pleased with the conditions at Veterans' Park - everything has been working smoothly."

VOTED TO TAKE the sum of $240. out of the Selectmen's expenses account to pay for printing ($165.) and postage ($175.) for Martha Peterson to mail a survey on behalf of the Open Space Management/Growth Management Study Group,

the State Economic Office of Communities and Development (EOCD) commending the town for its efforts to provide affordable housing and for being granted designation as a Housing Partnership Community.

This designation will enable the town to apply for funds from several different resources, for projects such as housing rehabilitation, certain public facilities and services and strategic planning grant and site planning for affordable housing.

Ms. Amy S. Anthony, EOCD Secretary, wrote: "Once your community has developed an affordable housing strategy, it may gain special access to more than a half-billion dollars in housing development funds through the Massachusetts Housing Partnership."

Public Hearing on Nunes Land

by VIRGINIA MORGAN

About 50 residents attended an open hearing on Thursday, August 18th, at Old Rochester Regional High School to hear developer Mr. Joseph P. Keller and his associates outline their plans for the Manuel R. Nunes, Jr. Brandt Island property, before the August 23rd Special Town Meeting.

Attorney Larry DiCara, spokeman for the Keller project, gave the background on the proposed development. He explained the Nunes property of 241 acres (more or less), and the other two parcels would total 400 acres. The golf course would cover about 200 acres (the 50 percent of golf course would be considered open space). The de-

velopment would contain approximately 125 houses on the Nunes land, and 75 on the other parcels with lots slightly under an acre of land. No more than 200 houses will be built, said Mr. Keller.

Attorney DiCara noted the developer has agreed to a Conservation Easement to open space on the property in perpetuity. He said they have not decided what vehicle to take on the easement agreement, such as with the Mattapoisett Land Trust. He explained there would be a roll back one-time payment to the town of $375,000-$400,000, with the exact amount to be determined to be paid in fiscal 1989. This payment is for compensation for the diminished taxes Mr. Nunes has paid since 1985 under Chapter 61B (tax abatement for property assessed as recreational or agricultural land).

Also speaking on behalf of Mr. Keller was Ron Davis who showed slides of the

property and how the site locations would be developed - such as the proposed golf course, layout of the houses, wetland section and the beach area. Mr. Keller added that a beautiful coastal scene showing several trees blowing in the breeze and standing out on the bluff would be used as a logo for the golf course.

Attorney Michael J. Livingstone, representing Mr. Nunes, explained 18 other qualified buyers had sought to buy the property. Some of the proposals were horrendous; they were like a puzzle. This remark was made in response to comments that this proposed development would bring traffic and a strain on the town's facilities, such as police, fire, schools. Mr. Keller said this project would be the least of evils that could happen to the land.

A lengthy discussion was held on the availability of water and sewer to the development. Mr. Keller said they planned to bring the water in from Shaw Road in Fairhaven, and they are working with both the Fairhaven and Mattapoisett Water Departments to accomplish this. Mr. Keller said there is a 10 inch water main from Shaw Road that would be continued into the development. The sewer could come along the Mattapoisett railroad bed and cross Brandt Island Road. What happens after that to private property on Brandt Island Road will have to be settled later between the two towns' water departments. "I would hope there would be a trickle-down effect to Brandt Island residents."

A remark from Mr. Charles A. Morgan, former Water Commissioner and Water Superintendent, noted that it probably would take legislative action to use Fairhaven water in Mattapoisett because of an historic 1887 legislative act delegating water rights. Attorney DiCara responded that it may or may not, but that perhaps a concurrence of both towns' water boards could decide the matter.

Mr. Keller emphasized if water and sewer are not available, the development would be dropped. "We do not want to proceed with wells and septic tanks." If the town agrees to purchase the land all these plans and problems are moot, Mr. Keller said.

A question of exactly how many acres are in the Nunes property which ranged from 205 to 243 by several persons was answered by Attorney Livingstone who said Mr. Nunes bought the property in the 1940s and the exact acreage has not been determined. Thompson Engineers have conducted an aerial study and estimated the the land at 209 to 241 acres. Mr. Keller added that the exact acreage will affect the exact sale price and could cut down on the number of lots.

In response to a question of gas coming along Brandt Island Road to the development, Mr. Keller said, "Yes, I would consider it important to bring in gas."

In response to a question on using the golf course by Mattapoisett residents on a daily greens fee basis, Mr. Keller ex-

plained, "I am sympathetic to your request, but I also respect the private club course, so I am in the middle. I would expect to make the course available to charity events and the high school golf team. In all fairness to those who pay for membership, "we can't be both public and private. I hope we can work out something for the townspeople. I like to keep a low-key, small clubhouse. And, yes there will be two tennis courts near the clubhouse."

In response to a question to Selectmen on what plans the town has for the Nunes land, Selectman John N. DeCosta said, "We have no plans at all at this time."

Martha Peterson of the Open Space Commttee of the Growth Management Study Group outlined several ways in which the property could be utilized, the cost would be less because of the lower assessment without water and sewer. The property could be utilized for conservation, affordable housing could be built in the area closer to Brandt Island Road on what is pasture land and some lots could be sold. The town could break even or maybe make a little money on the uses.

Mattapoisett Historical Museum

There is still time to visit the exhibit at the Mattapoisett Historial Museum before its closing on September 3rd. The collection of pictures and histories of Mattapoisett-built whaleships amassed by Henry Ketteil is most interesting. One can be most proud of the town's heritage as the leading ship-building port of the world during the 1800s.

The museum (on the corner of Church and Baptist Streets) still has copies of Charles Mendell's booklet, "Shipbuilders of Mattapoisett" for sale as well as cup plates of the "Acushnet" and tiles of Ned's Point Light and the Museum on Church Street.

Museum hours are 1:00 to 4:30 p.m. Tuesday through Saturday; adults, $2.00; children, $.50 and members, free.

The Museum has numerous permanent displays - an early kitchen, woodworking shop, a saltworks model, scrimshaw, china, glassware, toys, furniture, and much more. Plan an afternoon visit.

lege), Lisa Shire (George Washington University), Kristine Rego (URI), and Lori Rosa (Stonehill). The continuing education awards went to: Carey Tripp (Stonehill), Dawn Cote (Westfield), and Thomas Silveira (Skidmore). The re-entry recipient was Susan Larson (Lesley College).

Since 1983 MMR has awarded over $90,000 to residents of Marion, Mattapoisett and Rochester. MMR is a non-profit organization run by a volunteer Board of Trustees. Representatives on the Board and the Awards Committee are residents of the tri-town area. At the annual business meeting in June new officers and members were elected to the Board. New additions include Robert Davis (President), Andy Lynch (Executive Vice President), Lucille Morris (Treasurer), Carol Regan, Carol Richardson, and Sheila Couto. Any area resident interested in participating in the "Dollars for Scholars" Program should contact a Board member.

MMR depends solely on the generosity of the tri-town area for its scholarship program. Major fundraisers include the annual Phone-a-thon, Business Drive, Pairpoint Cup Plate sales, and T-shirt sales.

M.Y.A.A. Girls' Softball

I would like to take this opportunity to say thank you and congratulations to this year's girls' navy blue softball team for coming in first place. Your great teamwork, super sportsmanship and many hot practices made it possible for you to get to the top.

Angela Cook, Shannan Fales, Alison Fleming, Nicole Regan, Kristina Ponte, Kendra Chase, Danielle Bertrand, Sarah Lake, Katie Dutra, Farah Bowers, Tara Best and Sarah Webster.

Sarah Webster was a young girl from Ireland who spent the summer with Farah Bowers and I don't believe she had ever seen a softball and bat. At first she was a little shy about wanting to play, but by the time she left she was hitting the ball with great enthusiasm and determination. She became a part of our team and touched our lives for a short time. We all miss her very much.

To the rest of the team and to past members of the Blues which include Megan York, Michelle Regan, Shannon Quinlan, Lisa Cook, Kate Dawson, Bonnie Lewis, Jen Arruda, Erin Hoye, Missy Horan, Sarah Harrison, Heather McCullough, Jessica Hart, Becky Roy, Keida Smith and Jen O'Connor, I have enjoyed working with you all. The great memories and pleasure you have given me will be cherished forever.

I would also like to thank Tom Dutra, Maureen and Bob Best for their many

"What Buzzards Bay Means to Me"

The following essay by Amy Okolita, a grade 6 student at Sippican School, won third place in the Buzzards Bay Day essay contest held in conjunction with the Buzzards Bay Day in June.

WHAT BUZZARDS BAY MEANS TO ME

When I wake up on hot and muggy mornings I look forward to going down to the beach for a swim. The water relaxes me and most of my worries escape me to find some other place to rest. Later in the afternoon I like to go for a pleasurable boat ride. Swimming lessons come still later and I'm always afraid of creatures lurking under the deep blue sea. Although I know perfectly well that I'm safe in the water, it's fun to pretend. Little children walk up and down the beach picking up crabs and plopping them in a bucket of ocean water. I watch the children build little houses and playgrounds for them. I climb out of the water onto the hot sand, my Mom hands me a dry towel and I dry off. Finally, my family friends and I watch the bright sun dim and then set. We eat a picnic supper and then go home. As we drive off I

think of having summer without Buzzards Bay; totally boring is all I can think of. I'm glad that daydreams don't come true. But maybe they do, for people are polluting the water. If we can't stop it, someday it will be gone from all our wonderful memories. I guess all we can do is be glad that we have it and never do anything to hurt it. Perhaps some day all people will appreciate it more and try to enjoy it while they can. Hopefully they'll understand that the ocean is here to love not to destroy. When I go to sleep that night I dream of the soft waves of the ocean washing up beautiful shells. My dream is suddenly over and I awake with seashell chimes clanging in my window. Well, Buzzards Bay here I come again.

OFFERS COURSE AT TWO COLLEGES

This fall the New Bedford Whaling Museum will offer a new docent internship course to students at Southeastern Massachusetts University and Bristol Community College. The college-credit course begins September 13th and will be taught at the Whaling Museum.

The Museum hopes to attract young docents and contribute to the education of history and humanities students at the same time. The Museum will offer its adult docent course this Fall as well.

Students will begin with a 3-hour credit academic course; a second semester will provide experience as a docent (a teacher or instructor who conducts groups through museum). Two optional semesters of further docent experience will be available, giving a student a possible total

of 12 credit hours. The SMU course is part of the Contract Learning program open to juniors and seniors. The BCC course is an elective available to all students.

The course was developed by the Education Staff and the Volunteer Council of the Museum. Mrs. Patricia Altschuller, Coordinator of Educational Services, will be course instructor and program supervisor. Mr. Richard Kugler, Whaling Museum Director, will serve as adjunct professor; museum staff and volunteers will give lectures on special areas of expertise.

Using the resources of the Museum library, the course will cover such topics as the history of Old Dartmouth, whales and whaling, New Bedford as a whaling port, whaling vessels, waterfront trades, the maritime arts, and whaling artists.

The course begins on September 13th at the Whaling Museum.

For more information please contact the Education Department of the Whaling Museum (997-0046); Tom Mulvey, SMU Contract Learning Director (999-8601); or Ray Lavertue, BCC Division Chair of Social Science and History (678-2811).

eye talk

Q. When should I take my child for a first vision examination?

A. Every child should have a thorough vision examination by age three, unless noticable symptoms, like crossed eyes, appear earlier. A child does not have to know the alphabet or be able to read.

Your optometrist can check your child's ability to see clearly far away and up close; to change focus from far to near and back; and to use the two eyes together as a team.

The optometrist can also detect any tendency toward such vision problems as nearsightedness, farsightedness or astigmatism. Treatment to prevent or slow these problems may be started.

In addition, this first examination is important in diagnosing a "lazy eye" early, when treatment is most effective.

Your optometrist can also determine if your child's vision skills are developing normally and provide help if they are not.

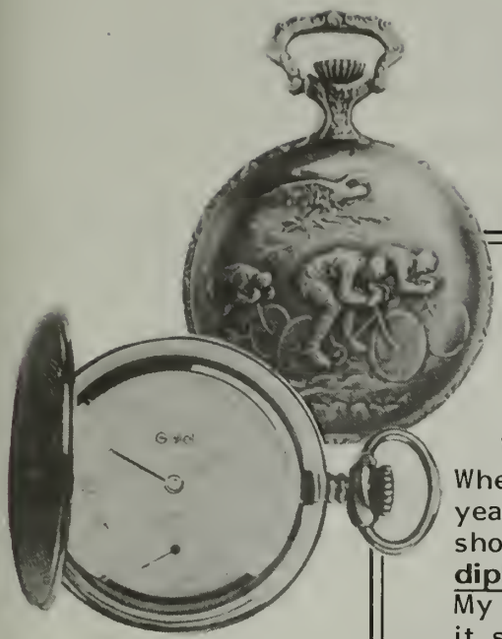
Mastersingers of Cape Cod

The Mastersingers of Cape Cod will perform at Heritage Plantation of Sandwich on Sunday, August 28th, at 2:00 p.m. on the Outdoor Concert Green. The program will include music from Broadway shows, Barbership harmony, jazz of the 40s and much more.

The singers have performed at the Barnstable County Fair and the Wellfleet Library. In addition, last year the Mastersingers completed a tour of England and France joining with other groups at festivals and other events. The all-volunteer group has been singing for three years.

Membership, as well as admission tickets to the Museum for the day, will be honored for this presentation, and will include admission to all Museum buildings, exhibitions and grounds.



Presto Friends:

Watch repair today is a highly technical field. Whether your watch is a pocket watch that's 100 years old or a quartz watch one day old, it should be handled only by trained people with a **diploma** proving their competence and knowledge. My father told me that when repairing a watch it should be handed back to the customer in factory-fresh condition or better.

So why in this day and age do I have customers walk in our door with watch movement in one hand and case in the other? Answer is they have been to someone who one day decided they were going to be a jeweler. Up went the sign and the jewelry in the case. No schooling, no skill, no nothing.

When you go into a jewelry store for a repair or to buy, ask to see their credentials in the form of a diploma.

OLD ROCHESTER REGIONAL SCHOOL DISTRICT - MASSACHUSETTS SCHOOL SUPERINTENDENCY UNION #55

NOTICE TO PARENTS

Below are the School Bus Routes for the Old Rochester Regional School District and Superintendency Union #55 for the Towns of Marion, Mattapoisett and Rochester for the School Year 1988-1989. The scope of transportation services are the same as they were for 1987-1988. Routes have been modified slightly to accommodate new membership. Any questions regarding the bus routes and stops which effects your child should be addressed to Andrew J. Santos, Associate Superintendent for Business, 758-2772, or your School Committee Representative.

The School Committees recommend and appreciate parental participation and support at bus stops prior to bus arrivals.

LATE BUSES

There shall be late 3:30 P.M. buses on Tuesday, Wednesday and Thursday only and daily at 5:00 p.m. from Old Rochester Regional Jr. and Sr. High Schools. Please note that late bus routes as listed have been premised on express services to specific stops in the respective towns. A student riding the late bus can select a stop that is no greater than 2 miles from his or her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops.

Marion EMS Group Supports Tobey

Members of Marion's Emergency Medical Services group have been extremely generous in supporting Tobey Hospital's Capital Fund Drive. Over the last few months they have donated many hours contacting their neighbors and preparing a 4,000 piece mailing seeking support for the drive.

In addition to their valuable time, the group has just contributed $1000. to the $4.8M Campaign.

Pictured are Everett Eaton, Andrea Keene, Margie Baldwin, Cornelia Dougall, Joan Wing and Danielle Francis. EMS staff not pictured are Beth Davis, Dale Gunschel, Elaine A. Hatch, Dale Jones, Mary P. MacLean and Andria Savery.

JACK AND THE BEANSTALK PUPPET SHOW

The Puppet Workshop will perform "Jack and the Beanstalk" at Heritage Plantation Sunday, September 4th, at 2:00 p.m. on the Outdoor Concert Green.

The Puppet Workshop, a Rhode Island based company, has redesigned this familiar fairy tale to give it special appeal for today's audiences. The show features several original, popular-style songs and some highly imaginative puppets.

The Puppet Workshop's improvisational style with the emphasis on audience participation has been delighting audiences around New England since 1972. A non-profit arts organization funded partly by the Rhode Island State Council on the Arts and private donations, the group offers original puppet performances and also teaches through workshops and residencies. Their programs appeal to all ages, but especially to children who find through the magic of puppetry a special outlet for their own communication.

Membership, as well as admission tickets to the Museum for the day, will be honored for this presentation, and will include admission to all Museum buildings, exhibitions and grounds.

The Museum encourages families to enjoy a picnic in the picnic area outside the Main Gate. Picnicking is not allowed on the Museum Grounds. Please bring a lawn chair or blanket to this outside performance. For more information call 888-3300.

Tickets are $6. for adults, $5. for seniors 65 or older, children under 12 are $2.50; five and under are free.

Limited edition hand signed and numbered prints of Westport Point, Westport, MA. This collector print is reproduced from the finely detailed pen & ink drawing by local artist Arthur Moniz. Also available are the other prints of the New Bedford, Fairhaven, Mattapoisett Waterfront, Padanaram Harbor, Sippican Harbor & Tabor Academy areas. The prints measure 15x40.

One major focus of Spinner IV is the Depression-era writings and photographs produced under New Deal programs such as the Works Progress Administration (WPA) and Farm Security Administration (FSA).

These never-before-published treasures recount folklore, ethni-city, town history, and working the land and sea. You will visit the islands of Martha's Vineyard, Nomans Land and Gosnold, eel-seine with the Tiverton fishermen, whale with a Cape Verdean seaman, break bread and chat in the Provincetown home of a Portuguese fisherman, take refuge along the Underground Railroad with fugitive slaves, and listen to folk tales from the neighborhoods and countryside. A remarkable collection of FSA photographs and much new work by local artists and photographers beautifully illustrate these writings.

A second major feature of Spinner IV is an inside portrait, in prose and photographs, of the Berkshire/Hathaway textile mill in New Bedford, the last major textile manufacturer in southeastern Massachusetts. Spinner looks at the economic and social impact surrounding the decision to close the mill. Workers and manage-

FIRST STEPS TO SCHOOL EASY

Now is the time to take your first step back to school by enrolling in Bristol Community College's First Steps Program. The program was designed to help people who are unsure about their career opportunities and need a few brush-up courses before they enter the college mainstream, according to Jack Gregory, director of adminstrative services.

Students study basic mathematics and writing, become involved with career exploration and development seminars and learn study skills that, with practice, will help them make the most of their study hour. "For anyone who is returning to school, the first step is usually the most

PHYSICAL THERAPIST ASSISTANT CLASSES

Admissions interviews are now being scheduled for September applicants to Newbury College's evening Physical Therapist Assistant program. Those interested in applying are advised to call 996-3138 as soon as possible to arrange an appointment, as spaces in the program are limited. Fall classes begin on September 19th.

Now in its second year at the New Bedford Campus, the associate degree program is allied with the Physical Therapy Department at St. Luke's Hospital, and is the only evening program in existence to train PT assistants. The general education requirements of the program are taught at Newbury's New Bedford High School location, while the professional courses are concluded at St. Luke's by members of the Physical Therapy staff.

The evening program, designed for the convenience of adult students with daytime obligations, has been developed to meet the growing community need for trained assistants to work with the registered physical therapists in such fields as sports medicine, neurology, pediatrics, and geriatrics. It also offers wider opportunities for students, many already working in the PT field, to attain a degree and to prepare for the state licensure examination.

Newbury College, a two-year college, is accredited by the New England Association of Schools and Colleges, and offers over 30 programs of study in many locations throughout eastern Massachusetts.

TRAVEL CAREER TRAINING

Right now in this country, tourism is the largest employer in more than half of the fifty states. Consequently, there is a demand for highly skilled individuals equipped with specialized training and knowledge about the travel industry. To meet this need, Newbury College offers a two-year associate degree program and a one-year certificate program, both designed to prepare students for such careers as travel agent, tour operator, agency manager, travel specialist and travel consultant.

Evening classes for the fall semester begin on September 19th and are held in the Blue House at New Bedford High School, 230 Hathaway Boulevard. Information about the courses, as well as about deferred tuition and financial aid, may be had by calling 996-3138 or visiting the Adminstration Office at 995 Rockdale Avenue, New Bedford. Career counseling and placement testing are also available.

MEDICAL BILLING COURSE

The New Bedford Campus of Newbury College will offer a course in Medical Billing and Insurance on Monday evenings from 8 to 10:25 beginning September 19th. Classes are held in the Blue House at New Bedford High School, 230 Hathaway Boulevard.

ANNOUNCES 1988-89 SEASON

Theatre One Productions, Inc., Route 105, North Main Street, Middleboro announces its 7th season of live theatre. The season presents an excellent selection of theatrical productions. Opening the season is the zany comedy, "The Nerd", followed by a gripping murder/mystery, "Web of Murder", an All-Musical Revue, "What's a Nice Country Like You Doing in a State Like This?", a powerful drama, "As Is", and closing off the adult season with the hilarious sex farce comedy, "A Little Quickie". The season begins September 15th and runs through May 20th. All performances are at 8 p.m.

Theatre One Productions is offer-

All-Stars Advance

SEMI-FINALS

Bolstered by the solid pitching of Jeremy Medeiros, Scott Gamache and Andy Lynch, Mattapoisett's Little League All-Stars earned a third place finish in the fifth annual Rochester Invitational All-Star Baseball Tournament held August 4-7.

Forced into the loser's bracket early, the All-Stars won 3 games in a row before narrowly falling to Lakeville in the semi-finals, 11-10.

The weekend of August 13-14 the All-

Stars advanced to the semi-final round of the Wareham All-Star Invitational, winning both ends of their two weekend contests.

The first game, a come from behind victory over Plymouth, was highlighted by back-to-back home runs in the bottom of the sixth. With his team trailing 4 to 3, Jeremy Medeiros jerked a Plymouth fast ball over the center field fence to tie the game. Moments later, starting pitcher Scott Gamache, who had seen his 3-1 lead evaporate in the fifth, stroked a towering home run over the 210 foot mark in center to earn the All-Stars a dramatic 5-4 victory.

In Sunday's game, Jeremy Medeiros pitched himself out of trouble all afternoon to post a 4-3 victory over heavily favored Brockton West. Medeiros went the distance, scattering 3 hits while striking out 8. Hunter Hoffman, Mattapoisett's leading RBI producer, drove in 2 runs with 2 key hits.

The game's highlight featured Ryan Feeney, who sacrificed himself in a 2 out run down between first and second allowing the Mattapoisett runner on third to score.

The All-Stars who have won 5 of their last 6 games and now post a respectable 6-4 record in post season play met South Plymouth on Saturday, August 20th, in Wareham. (Results next week.)

our government, and to increasing participation in the election process.

Presidential debates have become one of our most valued services. Citizens and candidates alike have learned to trust the independence and fairness of the League of Women Voters, knowing that our only purpose in sponsoring debates is to improve communication between voters and candidates, to enable citizens to make informed choices when they go to the polls.

Again this year, the two major political parties are challenging this. Instead, both parties want to hold their own debates. We remain firmly convinced that if this were allowed to happen, the value of candidates' debates as objective, non-partisan citizens forums would end. We do not believe that party chairmen would put the voters' need for information with substance about the candidates and their positions ahead of their nominees' efforts to win public office. We have had too much of the latter in 1988. Why bother to watch?

Because of this concern, the Board of Directors of the Marion/Mattapoisett Area League of Women Voters, joining with Leagues throughout the United States, urge everyone who shares this concern to get your

the Old Barn Gallery at Heritage Plantation. This show opened Sunday, August 21st, and runs through Sunday, September 18th.

Mr. Frattasio, artist, craftsman and art educator, received his training in commercial design from the Vesper George School of Art. He graduated from the Massachusetts College of Art with a Bachelor of Science in Art Education degree, and earned his Master of Education degree from Boston State College.

Mr. Frattasio exhibits regularly in the various art festivals on the South Shore. He also exhibits at the Schnable Gallery in Hingham. Among his awards are a Best of Show in the Milton Art Festival and an Honorable Mention in the Pembroke Show.

Membership, as well as admission tickets to the Museum for the day, will be honored for this show, and will include admission to all the Museum buildings, exhibitions and grounds.

FITCHECK-PERSONAL FITNESS TESTING

Beginning with the Fall 1988 registration, the Greater New Bedford YMCA will be offering Fitcheck, a personal fitness evaluation program.

Fitcheck will be offered by scheduled appointments where your present physical condition is evaluated so as to better aid you in selecting an exercise program. The basic components of physical fitness are tested along with a cardiovascular risk factor analysis.

Fitcheck Clinics involving group testing will also be offered beginning this Fall. For more information on fees and dates of both the individual and group Fitcheck programs contact the Greater New Bedford YMCA at 997-0734.

YOUTH FITNESS PROGRAMS

Beginning in the Fall of 1988 the Greater New Bedford YMCA will be offering several Youth Fitness Programs.

Kid Fitness is a fitness class for youth ages 7-9 years which runs six weeks and meets on Mondays and Wednesdays from 3:30 to 4:15 p.m. The class combines exercise and discussion on specific health topics.

Teen Aerobics and Lap Swimming will meet on Tuesdays and Thursdays from 3:30 to 4:30 p.m. The first half hour is devoted to an Aerobic Exercise Class while the next half hour is spent in the pool. Each portion of the class can be taken separately or combined.

For more information and fees on these programs call the Greater New Bedford YMCA at 997-0734.

Lloyd Center

WOODLAND BIRD WALK

Fall songbird migration will be the focus of the Lloyd Center for Environmental Studies' Weekly Walk to be held on Sunday, September 4th, from 9 to 11 a.m.

During the annual fall migration, many birds use the Atlantic coastline to guide them back to their wintering grounds. Join Lloyd Center Research Staff member Bob Deegan in exploring a local woodland habitat where migratory songbirds may often be seen foraging with flocks of chickadees.

Forest birds are much less vocal during Fall migration than they are in Spring. By following flocks of chickadees, which constantly call to keep in touch with each other, we may locate the elusive fall migrants.

The Lloyd Center offers weekly inter-

New Black Eagle Jazz

The New Black Eagle Jazz Band will perform its New Orleans style jazz for the 17th season at Heritage Plantation of Sandwich on Cape Cod, Saturday, September 3rd, at 7:30 p.m. There is no rain date.

The concert was originally scheduled for Saturday, July 23rd, with a rain date of July 24th. Both dates were cancelled due to inclement weather.

This year's concert is co-sponsored by Falmouth Hospital and is dedicated to that institution's 25th anniversary. It also honors Dr. John H. Lewis for his more than thirty years of service to the town of Sandwich. Dr. Lewis was similarly honored two years ago when the John H. Lewis Medical Center, a facility developed by the Falmouth Hospital Foundation, Inc., was built and named after him.

The Eagles are led by Tony Pringle from England. If pressed, Pringle will tell you they model themselves on the great New Orleans black bands of the 1920s. But partly, at least, they result from a New England heritage.

The Grammy-nominated band members have been together since 1971, relaxing after their various daytime jobs as computer engineer, pediatrician, architect,

tensive two-day program that will enable them to function as AIDS information resources for fellow staff at the hospital. According to Robin Griffin, RN, clinical manager of Infection Control at Tobey, the AIDS program covered topics ranging from technical and clinical information to the social and emotional aspects of AIDS.

The Tobey physicians attended a special program at Massachusetts General Hospital in Boston that presented all of the latest medical developments in treatment and management of the disease.

Although there has been a great deal of research on AIDS, Infection Control Manager Griffin noted that this research data hasn't always filtered down to the community hospital level. "Information is one of the most important components in providing treatment for AIDS patients," said Griffin.

In addition to Griffin, health professionals from Tobey who participated in the program include: Donna Harper, RN, Nursing Service; Susan Harding, CRRT, Respiratory
